for Students and Professionals

A WORLD
OF
LANGUAGES

DISCOVER A WORLD OF LANGUAGES

Do you want to learn a foreign language quickly, progress at your own pace, talk about subjects you're passionate about and address issues specifically related to your job or studies?

Then our "At the Teacher's" programme is your solution! This unique concept consists of a language course given right from the teacher's home to fully meet your needs. After specifying your interests and special requests, we select a teacher who matches with your profile in the city of your choice. Your private teacher will keep you motivated on a daily basis while you're learning the language, help you gain confidence and answer your questions in real time. No other programme is as personalised and flexible! Take this opportunity to immerse yourself in the language, while being encouraged and supported at all times.

With this programme, your teacher will also share their daily family life, culture, meals and more with you. Throughout your stay, they'll do their utmost to make sure your learning experience is as pleasant and enriching as possible. You'll develop a close relationship built on trust and enjoy in-depth conversations in the language of your host country.

THE BENEFITS

THE BENEFITS OF AN “AT THE TEACHER’S” STAY

- Total immersion in the language
- Tailor-made learning programme and quick progress
- Privileged contact with the teacher and their family
- Warm welcome in an authentic environment
- Shared meals and daily life, constant language exchange
- Cultural exploration with your teacher or on your own

YOUR TAILOR-MADE LANGUAGE STAY

You pick your dream destination, and we'll find the perfect teacher for you! Go abroad knowing that a teacher who's excited to welcome you into their home is waiting for you: they understand your goals and will have identified your language needs and designed a tailor-made programme for you. From the moment you arrive at the teacher's, you'll benefit from complete immersion in the local language and culture.

COURSES

Follow a course tailor-made for you – what a privilege! Enjoy the flexibility of the programme throughout your stay, as your teacher will constantly listen to your feedback and adapt their classes to help you make progress and reach your goals.

LEISURE

On your own or with your teacher, you'll dedicate some time to your favourite activities, as one of the reasons you've chosen your destination is for the leisure opportunities it offers! Sports, visits to the local tourist attractions and exploring cultural sites... take advantage of this complete change of scenery to immerse yourself in the atmosphere of your destination. Younger participants will be supervised according to their age.

ESL'S FOLLOW-UP

Our staff, specialised in language stays abroad, will help you find your destination and perfect teacher and will be there during every step of your language programme. You'll receive all the information and guidance you need, and our staff will follow-up with you before, during and after your stay. We also have an emergency contact person in all of our destinations for the "At the Teacher's" programme with ESL.

ACCOMMODATION

You've chosen an exceptional experience: sharing your everyday life with your language teacher and their family. This is a smart decision, as you'll enjoy total immersion in the local language and culture all day long! This enriching experience will accelerate the language learning process.

TRAVEL

ESL will take care of everything about your stay from beginning to end! We also organise a transfer from your destination's train station or airport to your teacher's home.

"ONE-TO-TWO" FORMULA

If you'd like to do a course with a colleague, friend or family member, you can try the "One-To-Two" programme at the teacher's. As you'll both be staying in the teacher's home, you'll attend the classes and leisure activities together. To guarantee the success of the programme, it's essential that both students have the same language level and share the same interests.

An "At the Teacher's" stay with ESL means developing your knowledge of the language in a fast, efficient and long-lasting way, while benefiting from a completely customised programme.

A PROGRAMME FOR EVERYONE!

Choose the format that suits you best: 15, 20, 25 or 30 hours per week. There are also specific options for students, professionals from various sectors and for those who want their classes to focus on a specific subject. There's a programme for everyone, whatever your language level or age.

BEFORE DEPARTURE: DETAILED ANALYSIS OF YOUR NEEDS

Customised analysis of your language goals and needs
Current level, goals and specific needs on a professional or private level, exams to prepare for, weaknesses, interests...

Analysis of your requests regarding the destination
Climate, proximity to a big city, countryside, seaside, mountains, possibility to combine your stay with a specific sport or hobby...

Analysis of your requests regarding the accommodation in the teacher's home
Family with or without children, pets, private bathroom, food allergies, smoking or non-smoking...

ON SITE: TOTAL IMMERSION AT THE TEACHER'S

Organisation of the course by your teacher
Setting up of the schedule and the amount of classes, progress evaluation according to the set goals...

Integration in family life
Meals taken with the family, availability of the family and teacher, desire of the student to be independent or to integrate into the family...

Activities
Discovery of the possibilities offered on site, setting up of time-slots dedicated to free time, possible sharing of leisure activities with your teacher and /or their family...

Especially for young students
Supervised or unsupervised homework time to prepare for the next day's classes, reviewing the day's lessons.....

THE COURSES

Private "one-to-one" lessons
Flexibility, total attention of the teacher, tailor-made classes, customised follow-up....

Shared "one-to-two" lessons
Similar language level for the two students, common goals and same learning pace.

PLUS Course
Private or semi-private lessons combined with scheduled activities: sports, music, gardening...

Formula for families
Flexibility in the organisation of a tailor-made family programme. Like in "one-to-two" programmes, the students must have a similar language level and goals.

A SECOND HOME ABROAD

You'll soon be on your way to making fast progress! Living in authentic, total immersion allows you to acquire language skills in a real-world context, and staying with a host family will make your experience that much richer.

After you arrive at your destination, you'll have time to get settled in your single room. Your teacher will then show you around the surrounding area, introduce you to their family and invite you to discover their way of life, especially at meal times. Together you'll discuss your expectations to reach a clear definition of your living arrangements, so you feel as comfortable as possible. Your host family will always respect your privacy and independence.
